Appendix. EU: Trade Measures Introduced and Eliminated During 1994	554
Summary Features of Exchange and Trade Systems in Member Countries	562
Definition of Acronyms	569

Note: The term "country," as used in this publication, does not in all cases refer to a territorial entity that is a state as understood by international law and practice; the term also covers some territorial entities that are not states but for which statistical data are maintained and provided internationally on a separate and independent basis.
